Dear John,

On behalf of the McMaster Women's Fast Pitch Team and McMaster Athletics and Recreation Department, I would like to say a sincere thank you for co-hosting the 2019 Ontario Intercollegiate Fast Pitch Association Provincial Championships. It was a huge success and it's solely do the dedication of volunteers of the Rosedale Community Council-Youth Softball.

The Team and University have received several comments on the how beautiful the park was and often referring to it as a hidden gem in Hamilton. Kudos to the City of Hamilton for stepping up their game to get the diamonds competition ready but thank you for the Diamond Crew those help keeping them pristine all weekend despite of the challenges of Mother Nature. Honestly, we could not have asked for a better place to play in the City. We truly showcased the Park and our great City.

In addition to the comments of about the amazing venue; we have been told that the volunteers at the Park were gracious hosts and made everyone feel welcome. A parent from another Team went out of their way to let the Coaching Staff know that the Park had a very warm and welcoming feel to it and that the people were wonderful.

All the above, contributed to McMaster capturing the 2019 OIWFA Bronze Medal and qualifying for the 2020 Canadian Championship. We truly could have not done it with you. Thank you from the bottom of our hearts. We hope to continue our partnership for future endeavours.

Yours in Softball,

Stephanie L. Sutton
